

Community-Use Areas Policy

- Community-Use Areas include Flag Circle, Hobbs Porch, Archery area, Flat, MEM building, and Waterfront. (For definitions see Camp Map).
- Upon arrival Rental Groups should add in their selected times for Community-Use Areas into the Rental Logbook located in Hobb's office. If the group plans these ahead of their arrival, they can contact the Registrar with schedule, and the Camp Host will log them in.
- Upon arrival at camp, Rental Groups should post planned schedules under their group name on the bulletin board in Hobbs office. This ensures coordination as well as safety for the Camp Host to locate each group in case of emergency
- If there are multiple groups renting camp simultaneously, please respect the planned use of others regarding these spaces.
- The Hobbs building (excluding office wing) is not considered a community area and can only be used by those with a reservation (except in case of emergency).
- When using The Flat as a Community-Use Area, Rental Groups should be respectful of any Rental Groups staying in the Starview units.
- Rental Groups that use the waterfront must show proof of American Red Cross certified lifeguard(s) (or equivalent) regardless of whether the group is swimming or boating. Only one group at a time may swim, only one group at a time may boat.
